8. The Register of Members and Transfer Books of the Company will be closed from **Friday, 15th September, 2023 to Thursday, 21st September, 2023**, both days inclusive for the purpose of the 36th AGM of the Company.
9. In terms of the SEBI Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from 1st April, 2020. In view of the above, Members are advised to dematerialize shares held by them in physical form.
10. Members holding the shares in physical form are requested to notify immediately any update/change of address and/or details of PAN and Bank account to M/s. KFin Technologies Ltd ("RTA"), the Registrar and Share Transfer Agent of the Company. In case shares held in dematerialized form, the information regarding change/update of address, details of bank and PAN should be given to their respective Depository Participant.
11. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
12. Shareholders can avail the facility of nomination in respect of shares held by them in physical form, pursuant to the provisions of Section 72 of the Companies Act, 2013 read with the Rules framed thereunder. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. KFin Technologies Ltd ("RTA"). Members holding in electronic form may contact their respective Depository Participants for availing this facility.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in dematerialized form are, therefore, requested to submit their PAN to the Depository Participant(s) with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to M/s. KFin Technologies Ltd ("RTA").
14. Shareholders holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend whenever declared. For the safety and interest of the Shareholders, it is important that bank account details are correctly provided to the Depository Participants and registered against their demat account.
15. Shareholders holding shares in physical mode, who have not provided the information regarding bank particulars, are requested to register/update their Bank details (e.g. name of the bank and the branch, bank account number, 9 digits MICR number, 11 digit IFS Code and the nature of account) online with KFin Technologies Ltd. on its website (at [https:// www.kfintech.com/](https://www.kfintech.com/)) along with the copy of the signed request letter mentioning the name and address of the Shareholder, scanned copy of the Share Certificate (front and back), self-attested copy of the PAN Card, and self-attested copy of any document (eg.: Driving License, Election Identity Card, Passport) in support of the address of the Shareholder along with a copy of latest cancelled cheque with the Shareholder's name. Shareholders holding shares in electronic mode are requested to register their Bank details with the relevant Depository Participant.

16. SEBI has mandated those securities of listed companies can be transferred only in dematerialized form from April 01, 2020, except in case of transmission and transposition of securities. In view of the same and to avail various benefits of dematerialization, Shareholders are advised to dematerialize shares held by them in physical form and for ease in portfolio management. Shareholders can contact the Company or KFin Technologies Ltd. for assistance in this regard. Shareholders holding shares in more than one folio in the same name(s) are requested to send the details of their folios along with share certificates so as to enable the Company to consolidate their holding into one folio.
17. The Board of Directors have appointed Cs Shashank Ghaisas - Partner of M/s. AVS & ASSOCIATES - M. No.: FI1782 Partner of M/s. AVS & Associates, Practicing Company Secretaries as the Scrutinizer to scrutinize the votes cast through the e-voting system at the meeting and remote e-voting process in a fair and transparent manner.
18. The Scrutinizer shall submit his report to the Chairman of the Meeting or any person authorized by him within 2 Working days of the conclusion of the AGM. The Results declared along with the report of Scrutinizer shall be placed on the website of the Company www.birlaprecision.com and on website of NSDL immediately after declaration of results by the Chairman or person authorized by him in this behalf. The Company shall simultaneously forward the results to BSE Limited, where the shares of the Company are listed.
19. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Thursday, September 14, 2023 ("Cut-off date"), are entitled to avail the facility of remote e-voting as well as e-voting system as on the date of the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
20. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Thursday, September 14, 2023 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the procedure mentioned below.
21. The remote e-voting period will commence at 9.00 a.m. on Monday, September 18, 2023 and will end at 5.00 p.m. on Wednesday, September 20, 2023. In addition, the Members attending the AGM who have not cast their vote by remote e-voting shall be eligible for e-voting at the AGM. The Members desiring to vote through remote e-voting are requested to refer to the detailed procedure given hereinafter.
22. The Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Companies Act, the Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of Companies Act, and all other documents referred to in the Annual Report, will be available in electronic mode. REPORT ON CORPORATE GOVERNANCE (As on March 31, 2023)**A. Company's Philosophy on Code of Governance**

Corporate governance is a systematic process, driven by ethical conduct of the business and affairs of an organization aimed at promoting sustainable business and enhancing shareholder value in the long term. Corporate governance therefore, in essence, is a referral paradigm, comprising a mechanism to benchmark company's business and affairs to a combination of laws, regulations, procedures, implicit rules and good corporate practices, which ensure that a company meets its obligations with the objective to optimize shareholder value and fulfill its responsibilities to the stakeholder community, comprising of customers, employees, shareholders, government and other societal segments.

Our Company's Governance philosophy is based on trusteeship and for promoting and maintaining integrity, transparency and accountability, across all business practices. As a corporate citizen, our business fosters a culture of ethical behavior and disclosures aimed at building trust of all stakeholders, such as shareholders, customers, suppliers, financiers, government and the community. This philosophy is built upon a rich legacy of fair, transparent and effective governance, and led by strong emphasis on human values, individual dignity and adherence to honest, ethical and professional conduct.

The Company believes that a sound governance discipline also enables the Board of Directors ("**Board**") to direct and control the affairs of the Company in an effective manner and maximize the value, including the society at large. We believe that this is an ongoing journey for sustainable value creation for all stakeholders and we continuously endeavor to improve upon our practices in line with the changing demands of the business. Our Company adopts innovative approaches for leveraging all its resources; and encourages a spirit of conversion of opportunities into achievements. Our Company's Code of Business Conduct & Ethics and the Company's Code of Conduct for Prevention of Insider Trading are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliances.

Keeping in view the Company's size, reach, complexity of operations and corporate tradition, the Corporate

Governance framework is based on the following main principles:

- Appropriate composition and size of the Board, with each member bringing in expertise in their respective domain;
- Timely and adequate flow of information to the members of the Board and its Committees for meaningful and focused discussion at the meetings to enable them discharge their fiduciary duties;
- Strategic supervision, monitoring and guidance by the Board of Directors which is made up of appropriate size, experience and commitment to discharge their responsibilities;
- Independent verification of Company's financial reporting from time to time and on quarterly basis;
- Timely and balanced disclosure of all material information; and disclosure of all deviations, if any, to all stakeholders and equitable and fair treatment to all the stakeholders (including employees, customers, vendors and investors);
- Compliance with applicable laws, rules, regulations and guidelines with transparency and defined accountability; and
- Proper business conduct by the Board members, senior management and employees.

In line with this philosophy, the Company and its Board continuously strive for excellence through adoption of best governance and disclosure practices. The Board continuously strives to play an active role in fulfilling its fiduciary obligation to shareholders by efficiently overseeing management functions to ensure their effectiveness in delivering shareholder value and societal expectations, with ethical and responsible business conduct. The governance framework ensures its effectiveness through an efficient system of timely disclosures and transparent business practices.

Your Company confirms compliance to the Corporate Governance requirements as enshrined in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), the details of which for the financial year ended March 31, 2023 is as set out hereunder:

The year 2022 was very special for India, as it marked the 75th Year of India's Independence where it also became the World's fifth largest economy, measured in Dollars. In real terms, the economy is expected to grow at 7% for the year ended March, 2023. The cutting tools are the basic premise on which the machine industry is based. Without effective cutting tools, none of the crucial processes involved in the machine industry can be carried out with the required finesse. The major consumers of cutting tools are the diamond cutting tools industry. During 2012-13, the Indian Cutting tools market was valued at around INR 15.6 billion, and now it's valued at more than INR 80 billion.

During the forecast period of 2016-2020, the market for cutting tools in India was expected to grow in the range of CAGR of 13%. The cutting tools manufacturers were not disappointed with the numbers, as this growth rate owes to the demands of the automotive sectors. The small, big as well as medium suppliers, have a significant contribution to the Indian cutting tools market. Also, there is a notable investment and attention offered to the developments of the cutting tools market. Currently, India stands 10th in consumption and 13th in production of cutting tools. It can be said that the Indian market is growing at a healthy rate. It is also estimated that the growth rate will reach around 15% by the next forecast i.e. till 2025

INDIAN AUTO COMPONENT INDUSTRY

Indian Auto Component Industry can be understood based on four different parameters, which are-

I. Robust Demand

- Growing working population and expanding middle class are expected to remain key demand drivers.
- By 2025, 4 million of EV's could be sold each year and 10 million by 2030. The market is expected to reach US \$ 206 Billion by 2030.

- The Indian Auto Component industry is set to become the 3rd largest globally by 2025.

2. Export Opportunities

- India is emerging as a global hub for auto component sourcing and the Industry exports over 25% of its production annually.
- Auto Component exports are expected to grow and reach US\$ 30 Billion in FY 2026.
- India has a competitive advantage in auto components categories such as shafts, bearings and fasteners due to large number of players. This factor is likely to result into higher exports in coming years.

3. Policy Support

- 100% FDI is allowed under the automatic route for auto components sector.
- Production Linked Incentive (PLI) schemes on automobile and auto components are expected to bring a capex of ₹ 74,850 Crore (US\$ 9.58 Billion) in the next five years.

4. Competitive Approach

- A cost- effective manufacturing base keeps costs lower by 10-25% relative to operations in Europe and Latin America.
- India is the 2nd largest steel producer globally, thus has a cost advantage.
- India is emerging as a global auto component sourcing hub due to its proximity to key automotive markets such as ASEAN, Europe, Japan and Korea.

GLOBAL ECONOMIC SCENARIO

Global Economic Growth was briefly affected by Russia – Ukraine war, which disrupted the chances of global economic recovery which was reeling under Covid-19 pandemic. The cutting tools market is segmented into linear cutting tools consisting of tool bits and rotary cutting tools including drill bits, countersinks and reamers. Owing to sustainable application in plentiful profit persuading sectors such as automotive, construction, oil and gas and power generation in the cutting tools market are progressing rampantly. Cutting tool suppliers and machine tool builders are reliant on cutting fluids to eradicate high temperature, supply lubricity, diminish wear and rust, and provide chip evacuation. The health and

environmental concerns related to the use of metal-cutting fluids in manufacturing settings is a major factor restraining the cutting tools market growth. Application of these fluids on a daily basis in a working territory, expose machine operators to potential health vulnerabilities. However, with constant and substantial influx of investments in R&D conventional substitute are surfacing along with the advancements in industrial protective gears for operators.

INDUSTRY STRUCTURE DEVELOPMENT, OUTLOOK & OPPORTUNITIES

Cutting tools market is driven by factors such as industrial growth, technological advancements, and the demand for precision and efficiency in manufacturing processes. Key players in the market include cutting tool manufacturers, distributors, and suppliers catering to diverse industries and applications. The North American region was predicted to hold a major share in the global Cutting Tools market. The region with the largest market share is expected to dominate during the projection period. This results from rising automotive, construction, and food and beverage demand. The industry is anticipated to be driven by growing government initiatives for advertising electric vehicles. The highly populated economies of India and China are a huge demand driver for the automotive industry in the APAC area, and Japan, India, and China all have significant OEM manufacturing presence. Cutting Tools Market opportunities are vast and varied, with numerous avenues for growth and innovation. One of the key areas of opportunity lies in the development of advanced cutting technologies that can improve efficiency, accuracy, and speed while reducing costs and waste. Another important area is the increasing demand for customized cutting tools tailored to specific applications and materials. This trend has led to a rise in niche manufacturers who specialize in producing specialized cutting tools for unique customer needs. Additionally, emerging markets such as Asia-Pacific offer significant potential for expansion due to their growing manufacturing sectors and demand for high-quality products. The cutting tools market can be influenced by factors such as:-

- **Industrial Growth:** A strong correlation exists between the cutting tools market and overall industrial growth. As industries like automotive, construction, and manufacturing expand, so does the demand for cutting tools.
- **Technological Advancements:** Innovations such as Computer Numerical Control (CNC) machines and laser cutting have improved precision, speed, and efficiency in cutting operations, driving the market for cutting tools.

- **Increased Automation:** The rise in automation across various sectors, especially manufacturing, has spurred the demand for advanced cutting tools.
- **Infrastructure Development:** Infrastructure growth worldwide, particularly in emerging economies, results in higher demand for construction and related tools.
- **Aerospace and Automotive Industry Growth:** These industries often require precise cutting tools for manufacturing complex and high-precision components. Their growth directly influences the cutting tools market.

THREATS / RISKS & CONCERNS

The major risks and concerns attributed to the performance of the Company are:

The machine tool industry is tiny but crucial: it supplies the machines to cut, form, and shape metals upon which about half of the manufacturing industries are dependent. The state of the art of the machine tools themselves, their control systems and the organization surrounding them largely determine the productivity and competitiveness of engineering industries in general. The machine tool industry faces two major challenges today. One is that technological change in machine tools has changed character in recent years. After more than a century of evolutionary progress, mainly involving mechanization and improved control of mass production, the main progress in machine tools in the last two decades has involved automation and mechanization of small and medium scale production, largely in connection with the introduction of numerical control and also other aspects of the microelectronic revolution. This change in the character and direction of technological change is forcing profound changes both within the industry and in its relationship with users. The other problem is that the competitive situation in the world market is changing rapidly, causing severe adjustment problems for most producers. Even though this is an industry in which foreign trade has always been significant, the emergence of new competitors (particularly Japan in numerically controlled machine tools and newly industrialized countries in conventional machine tools) with new strategies and new kinds of specialization has made for radical changes in the competitive situation for most machine tool firms.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

Your Company has identified two business segments in line with the accounting segment on segment reporting. These are **Cutting Tools and Auto Components**. The segment-wise performance in detail is given in the notes to the accounts.

CAPITAL INVESTMENT

We have made a sizeable capital investment during the Financial Year 2020-2021, wherein we have recently started a new manufacturing plant at Chalisgaon in Nasik, Maharashtra of Cutting Tools and Drills with a capacity of 4.8 lakhs Pieces. This would help us in boosting our revenue and creating a platform for maximum optimization coupled with a developmental vision of our Management. The Company has added CNC Machines to its Units, for entering in the space of Carbide Field. The multiplying of our output has always been a basic objective of the Company which has shown results every quarter starting from last year. The Company has been striving day in and day out which has been reaping us rewards and is a far-sighted approach which is being seen by us.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has been constantly upgrading its systems which would help in minimizing inefficiency and planting a smoothly internally controlled system which would help us in organizing and increasing our productivity and overall efficiency.

INTERNAL FINANCIAL CONTROL:

The Company has an established Internal Financial Control framework including internal controls over financial Reporting, operating controls and anti-fraud framework. The framework is reviewed regularly by the management and presented to the Audit Committee. Based on the review, the framework is strengthened and amended to incorporate the continuously evolving practices, from time to time, to ensure adequacy and effectiveness of Internal Financial Controls.

The adequacy of the internal control system as well as the internal audit report is reviewed by the audit committee of the Board of Directors. The adequacy of the internal control system has also been reported by the statutory auditors of the Company in their report as required under the Companies (Auditors Report) Order, 2003.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES

Our company has started to sharpen its policies towards employee welfare and for the maximization of their overall growth which is being done by setting up a better work culture and harmony amongst our employees which continues

to lay emphasis on qualitative growth by providing hassle-free and constructive work environment, in tandem with the bottom line of employee welfare as the primary reason of a company's growth. Moreover, we have started employee welfare activities through various interactive sessions engaged with our employee's time-to-time which has been showing us the required results. In addition to this, formal training through external & internal faculty is also conducted from time to time in acquiring domain knowledge and imbibing the corporate quality culture.

None of the Senior Management Personnel have any material, financial and/or commercial transaction, where they have personal interest that may have potential conflict with the interest of the company at large.

FINANCIAL HIGHLIGHTS

The Sales and Other Income of the Company for the Financial Year 2022-23 stood at ₹ 26,364.42 Lakhs as against ₹ 24,832.22 Lakhs of last year. Profit/(Loss) after tax stood at ₹ 1,407.32 Lakhs as against ₹ 1,118.05 Lakhs of last year.

The Company's financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), complying with the requirements of the Company's Act 2013 and the guidelines issued by Securities and Exchange Board of India (SEBI).

CAUTIONARY STATEMENT

Statements in this Annual Report, particularly those that relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations, may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Although the expectations are based on reasonable assumptions, the actual results might differ.

Birla Precision Technologies Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of Birla Precision Technologies Limited ("the Company") which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2023
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters

The Key Audit Matters	How our audit addressed the matter
Capitalisation of property, plant and equipment	Principal Audit Procedures
During the year ended 31 st March, 2023, the Company has incurred significant capital expenditure. Further the total additions to property, plant and equipment at various locations of the Company was ₹ 4134.73 Lakhs in the current year as set out in Note No.2. Significant level of judgement is involved to ensure that the aforesaid capital expenditure/additions meet the recognition criteria of Ind AS 16 - Property, Plant and Equipment. As a result, the aforesaid matter was determined to be a key audit matter.	Our audit procedures included the following substantive procedures: <ul style="list-style-type: none"> We assessed the capitalisation process and tested the design and operating effectiveness of the controls in the process. Assessed the nature of the additions made to property, plant and equipment and capital work-in-progress on a test check basis to test that they meet the recognition criteria as set out in para 16 to 22 of Ind AS 16. Reviewed the project completion details provided by the management to determine whether the asset is in the location and condition necessary for it to be capable of operating in the manner intended by the management. Based on the above procedures, management's assessment in respect of Capitalisation of property, plant and equipment in the Standalone Financial Statements are considered to be adequate.

Lockout of Foundry Division	Principal Audit Procedures
<p>During the Year, the Company has Temporarily Locked Out its Foundry Division.</p> <p>Matter –</p> <p>The Company in its email dated 30th January, 2023 had informed the Board of Directors of its decision of Lockout of the Foundry Division of the Company situated at Waluj, Maharashtra, due to continuous losses borne by the Unit over a period of time and ongoing labor issues which were jeopardizing the overall business activity of the Foundry Business. The Company tried all the steps of salvaging the production and its business activities in spite of facing hurdles, but over a period, running business operations from the factory became unsustainable due to continuous losses and recurring issues at Factory. The Company wants to also convey to the board, that they have taken this step after considerable discussion with a view of maximizing shareholders wealth by focusing on profitable units and its subsequent business's. The Company informed the Worker Unions of its decision of Lockout which was followed with informing the government bodies and authorities with Company engaging with all the stakeholders and safeguarding their interests.</p> <p>Since, the Total Revenue from Operations of this division was 15.74% of total revenue from Operations as on March 31, 2022, the aforesaid matter was determined to be a key audit matter.</p>	<p>Our audit procedures included the following substantive procedures:</p> <ul style="list-style-type: none"> • We assessed the filings done and intimations done by the Management with the Stock Exchanges and the Appropriate Legal Authorities regarding the same. • Based on the clarification received from the Management, the Demerger Application of the said department was already pending with the BSE. • Based on our technical assessment, even though the revenue of the division was 15.74% of total revenue but the Division was loss making since many years (Loss of Rs 6.79 Crores against revenue of ₹ 38.76 Crores) • Also, the Company is in expansion phase with its new project at Chalisgaon and expansion of existing facilities at Nashik. Therefore the lockout would not have any adverse impact on the Company. <p>On the basis of above Clarifications and assessment, we do not have any adverse comment on the Going Concern of the Company.</p>

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including the Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application

of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for

expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as issued by Central Government of India in terms of Sub Section (11) of Section 143 of the Act, we hereby give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

Annexure A to the Independent Auditors' Report

(Referred to in para I under “Report on other Legal and Regulatory Requirement” of our report of even date)

1. According to the information and explanations given to us, in respect of the fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) There is a phased program for verification of fixed assets, over a period of three years, which in our opinion is reasonable having regard to the size of the company and nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) As per the information and explanations provided to us, and on behalf of the examination of the records of the company, title deeds of immovable properties (other than properties where the company is the lessee and the lease agreement are duly executed in favor of the lessee) are in the name of the company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
2. According to the information and explanations given to us, in respect of the Inventories:
 - (a) As explained to us physical verification of inventory has been conducted at reasonable intervals by the management, the coverage and procedure of such verification by the management is appropriate, and discrepancies (which is less than 10% in the aggregate for each class of inventory) noticed on such physical verification between physical stocks and book records were not material considering the operations of the Company and the same have been properly dealt with in the books of account.
 - (b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets; the quarterly returns or statements filed by the company with such bank are in agreement with the books of account of the Company.
3. According to the information and explanations given to us, the Company has not granted any loans secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of The Companies Act, 2013 and therefore clause (iii) of paragraph 3 of the Order is not applicable.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans, guarantee, investments and security provided.
5. As per the Ministry of Corporate Affairs notification dated March 31, 2014 the provisions of Sections 73 to 76 or any other relevant provisions of The Companies Act, 2013 and The Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted are not applicable to the Company. According to information and explanations given to us, the Company has not accepted any deposits during the year.
6. We have broadly reviewed the books of accounts maintained by the company and are of the opinion that, prima facie, the cost records and accounts prescribed by the Central Government under Sub-Section (1) of Section 148 of the Companies Act, 2013 have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
7. According to the information and explanations given to us:
 - a) The Company is regular in depositing undisputed statutory dues including Employees State Insurance, Income Tax, Cess, Goods and Service Tax and any other material statutory dues as applicable with the appropriate authorities.

Annexure B to the Independent Auditors' Report

**(Referred to in para 2(f) under "Report on other Legal and Regulatory Requirement" of our report of even date)
Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies
Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Birla Precision Technologies Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Act, 2013 to the extent applicable, to an audit of internal financial controls both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect

the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at March 31, 2023, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India”.

Significant accounting policies followed by the Company

(A) Basis of preparation of financial statements:

(i) Compliance with Ind AS:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 and other relevant provisions of the Act.

(ii) Basis of preparation:

These consolidated financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months.

(B) Use of estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made by the management that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are crystallized.

(C) Revenue recognition:

- (a) Revenue from the sale of goods is recognized upon the passage of title to the customers, which generally coincides with delivery.
- (b) Export sales are accounted based on the dates of Bill of Lading.
- (c) Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of significant uncertainties.

(D) Property, Plant and Equipment:

- (a) All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include hedges of foreign currency purchases of property, plant and equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associates with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (b) Depreciation methods, estimated useful lives and residual value:
 - (i) Depreciation: The Company has ascertained the useful life of its various assets and charged depreciation in accordance with Schedule II of the Companies Act, 2013 except in case of Precision Components division the useful life of shop toolings fixtures has been determined as 2 years.
 - (ii) Leasehold Land is amortized over the period of lease.
 - (iii) The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
 - (iv) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
 - (v) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

(E) Intangible Assets:

Computer Software and Technical Know-How are amortized over a period of 3 years from the date of acquisition.

(F) Capital Work in Progress:

Expenditure during construction period including development cost incurred on the projects under implementation are treated as pre-operative expenses pending allocation to the assets and are included under "Capital Work in Progress". These expenses are apportioned to fixed assets on commencement of commercial production.

(G) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(H) Valuation of Inventory:

- (a) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.
- (b) Goods / Materials in Transit are valued at cost to date.
- (c) Scrap is valued at its estimated realizable value.
- (d) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

(I) Foreign Currency Transactions:

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

(J) Employee Benefits:

(i) Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The Liabilities are presented under current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations:

The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

(iii) Post-employment obligations:

- (a) Defined contribution plans: Company's contribution to the provident fund scheme is recognized during the year in which the related service is rendered.
- (b) Defined benefit plans: The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using projected unit credit method.
- (c) The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.
- (d) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.
- (e) Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

- (f) Long Term compensated absences are provided on the basis of an actuarial valuation.

(K) Research and Development Costs:

Revenue expenditure, including overheads on research and development, is charged as an expense through the natural heads of account in the year in which incurred. Expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as an Intangible assets and depreciation is provided on such assets as applicable.

(L) Investments:

Current investments are carried at lower of cost or fair value. Long term investments are carried at cost less provision for other than temporary decline in the value of such investments. Investment in subsidiaries are valued at cost.

(M) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

(N) Taxation:

Income tax expense comprises Current tax and Deferred tax charge or credit. Provision for Current tax is made on the assessable income at the tax rate applicable to the relevant

assessment year. Minimum alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax.

Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. The deferred tax asset and/or deferred tax liability is calculated by applying substantively enacted rate as at balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation is recognized if and only if there is virtual certainty backed by convincing evidence of its realization. At each balance sheet date, carrying amount of deferred tax assets is reviewed to reassure realization.

(O) Share Issue Expenses:

Issue expenses are adjusted against the Share Premium.

(P) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserves.

(Q) Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

Note 36: Fair values of financial assets and financial liabilities:

The fair value of other current financial assets, cash and cash equivalents, trade receivables, trade payables, short term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortised cost using effective interest rate (EIR) of non current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired includes cash and cash equivalents, security deposits, term deposits and other financial assets.

The impact of fair value on non current borrowings, non current security deposits and non current term deposits are not significant and therefore the impact of fair value is not considered for above disclosure.

Note 37: Fair value hierarchy:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

*Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

*Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

*Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

(₹ in Lakhs)

Particulars	31st March, 2023	31st March, 2022
Level 1 (Quoted price in active markets)	-	-
Level 2		
Financial assets measured at fair value through profit or loss	-	-
Financial liability measured at fair value through profit or loss	-	-
Level 3		
Financial assets measured at fair value through profit or loss		
Trade receivables	4037.40	3682.56
Cash and cash equivalents	2536.93	2037.55
Bank balances other than cash and cash equivalent	54.60	35.59
Loans and advances	446.06	1149.84
Other financial assets	288.63	209.51
Other current assets	2345.26	3363.38

The carrying amounts of trade receivables, cash and cash equivalents and other bank balances, loans and advances, other financial assets and other current assets are considered to approximate their fair values due to their short term nature.

Financial liability measured at amortized cost

Borrowings	2897.38	2336.69
Trade Payables	3392.72	3171.78
Other financial liabilities	40.99	36.96
Other current liabilities	835.15	1658.73

The carrying amounts of borrowings, trade payables, other financial liabilities and other current liabilities are considered to approximate their fair values due to their short term nature. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own and counterparty credit risk.

Note 38: Financial risk management objectives and policies:

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

(ii) Foreign currency risk:

The Company is exposed to foreign currency risk arising mainly on borrowing, export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

(B) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The Company does not foresee any credit risks on deposits with regulatory authorities.

(C) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Note 39: Capital management:

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value and to ensure the Company's ability to continue as a going concern.

The Company monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt mainly comprises of borrowings from banks, financial institutions and Unsecured Loans. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31st March, 2023	31st March, 2022
(i) Total equity	13269.49	11827.37
(ii) Total debt	3241.05	2412.70
(iii) Overall financing (i+ii)	16510.54	14240.07
(iv) Gearing ratio (ii/iii)	0.20	0.17

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023, 31 March 2022.

Note 40: Corporate social responsibility:

- (A) Gross amount spend by the Company towards Corporate Social Responsibility is ₹ Nil Lakhs (Previous Year ₹ Nil Lakhs).
(B) No expenditure has been paid to a related party, in relation to CSR expenditure as per Ind-AS 24, Related Party Disclosures.

Note 41: Previous year figures have been regrouped/ reclassified to confirm presentation as per Ind AS as required by Schedule III of the Act.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2023
- b) In the case of the Consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Consolidated Cash Flow Statement, cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Results section of our report. We are independent of the Company and the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including the Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we

are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection

and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid. In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity

Auditor's Responsibility for the Audit of the Consolidated Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of the 2 foreign subsidiaries of the Company, namely Birla Precision GMBH and Birla Precision USA Ltd. These financial statements have been audited/ reviewed by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.
- (b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as issued by Central Government of India in terms of Sub Section (11) of Section 143 of the Act, we hereby give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
- 2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b. In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in Section 133 of the Act read with Rule 7 of The Companies (Accounts) Rules, 2014;
- e. On the basis of written representations received from the Directors and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2023, from being appointed as a Director in terms of Section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of The Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position;
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company or the Group.

- a. The respective Management of the Company and the Group has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The respective Management of the Company and the Group has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- iv. The Company has not declared or paid any dividend during the year.

(Referred to in para 2(f) under “Report on other Legal and Regulatory Requirement” of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2023, we have audited the internal financial controls over financial reporting of Birla Precision Technologies Limited (“the Company”) and its subsidiaries (“the Group”) which are incorporated in India as on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and

maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated

in India, have, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on consolidated financial statements for the year ended 31st March, 2023

I. General Information:

Birla Precision Technologies Limited (the Company) is a Public Limited Company incorporated in India having its registered office at 23, Birla Mansion No.2, 1st Floor, D. D. Sathe Marg, Prarthana Samaj, Mumbai, Maharashtra, 400004, India. The Company is engaged in the manufacturing and selling of Machine Tool Accessories, Tools, Precision / Automotive Components and Castings.

Significant accounting policies followed by the Company

(A) Basis of preparation of financial statements:

(i) Compliance with Ind AS:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 and other relevant provisions of the Act.

(ii) Basis of preparation:

These consolidated financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months.

(iii) Basis of consolidation:

The Company consolidates all entities which are controlled by it. The Company establishes control when it has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's returns by using its power over relevant activities of the entity. Entities controlled by the Company are consolidated from the date control commences until the date control ceases. The results of subsidiaries acquired, or sold, during the year are consolidated from the effective date of acquisition and up to the effective date of disposal, as appropriate. The financial statements of the Group companies are consolidated on a line-by-line basis and all inter-company transactions, balances, income and

expenses are eliminated in full on consolidation. Assets and liabilities of entities with functional currency other than the functional currency of the Company have been translated using exchange rates prevailing on the balance sheet date. Statement of profit and loss of such entities has been translated using exchange rates prevailing on the date of transactions.

(B) Use of estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made by the management that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are crystallized.

(C) Revenue recognition:

- (a) Revenue from the sale of goods is recognized upon the passage of title to the customers, which generally coincides with delivery.
- (b) Export sales are accounted based on the dates of Bill of Lading.
- (c) Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of significant uncertainties.

(D) Property, Plant and Equipment:

- (a) All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include hedges of foreign currency purchases of property, plant and equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associates with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (b) **Depreciation methods, estimated useful lives and residual value:**
 - (i) Depreciation: The Company has ascertained the useful life of its various assets and charged depreciation in accordance with Schedule II of the Companies Act, 2013 except in case of Precision Components division the useful life of shop toolings fixtures has been determined as 2 years.
 - (ii) Leasehold Land is amortized over the period of lease.

(iii) The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

(iv) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(v) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

(E) Intangible Assets:

Computer Software and Technical Know-How are amortized over a period of 3 years from the date of acquisition.

(F) Capital Work in Progress:

Expenditure during construction period including development cost incurred on the projects under implementation are treated as pre-operative expenses pending allocation to the assets and are included under "Capital Work in Progress". These expenses are apportioned to fixed assets on commencement of commercial production.

(G) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(H) Valuation of Inventory:

(a) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.

(b) Goods / Materials in Transit are valued at cost to date.

(c) Scrap is valued at its estimated realizable value.

(d) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

(I) Foreign Currency Transactions:

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling

on the transaction dates. Liabilities and receivables in foreign currency are restated at the year end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

(J) Employee Benefits:

(i) Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The Liabilities are presented under current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations:

The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

(iii) Post-employment obligations:

(a) Defined contribution plans: Company's contribution to the provident fund scheme is recognized during the year in which the related service is rendered.

(b) Defined benefit plans: The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using projected unit credit method.

(c) The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

(d) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They

are included in retained earnings in the statement of changes in equity and in the balance sheet.

- (e) Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.
- (f) Long Term compensated absences are provided on the basis of an actuarial valuation.

(K) Research and Development Costs:

Revenue expenditure, including overheads on research and development, is charged as an expense through the natural heads of account in the year in which incurred. Expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as an Intangible assets and depreciation is provided on such assets as applicable.

(L) Investments:

Current investments are carried at lower of cost or fair value. Long term investments are carried at cost less provision for other than temporary decline in the value of such investments. Investment in subsidiaries are valued at cost.

(M) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

(N) Taxation:

Income tax expense comprises Current tax and Deferred tax charge or credit. Provision for Current tax is made on the assessable income at the tax rate applicable to the relevant assessment year. Minimum alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax.

Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. The deferred tax asset and/or deferred tax liability is calculated by applying substantively enacted rate as at balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation is recognized if and only if there is virtual certainty backed by convincing evidence of its realization. At each balance sheet date, carrying amount of deferred tax assets is reviewed to reassure realization.

(O) Share Issue Expenses:

Issue expenses are adjusted against the Share Premium.

(P) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserves.

(Q) Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

Note 36. Fair values of financial assets and financial liabilities:

The fair value of other current financial assets, cash and cash equivalents, trade receivables, trade payables, short term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortised cost using effective interest rate (EIR) of non current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired includes cash and cash equivalents, security deposits, term deposits and other financial assets.

The impact of fair value on non current borrowings, non current security deposits and non current term deposits are not significant and therefore the impact of fair value is not considered for above disclosure.

Note 37. Fair value hierarchy:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

*Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

*Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

*Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis: (₹ in Lakhs)

Particulars	31st March, 2023	31st March, 2022
Level 1 (Quoted price in active markets)	-	-
Level 2		
Financial assets measured at fair value through profit or loss	-	-
Financial liability measured at fair value through profit or loss	-	-
Level 3		
Financial assets measured at fair value through profit or loss		
Trade receivables	4023.92	3682.56
Cash and cash equivalents	2553.80	2037.55
Bank balances other than cash and cash equivalent	54.60	35.59
Loans and advances	336.14	1149.84
Other financial assets	291.80	209.51
Other current assets	2345.26	3363.38
The carrying amounts of trade receivables, cash and cash equivalents and other bank balances, loans and advances, other financial assets and other current assets are considered to approximate their fair values due to their short term nature.		
Financial liability measured at amortized cost		
Borrowings	2897.72	2336.69
Trade Payables	3393.71	3171.78
Other financial liabilities	40.99	36.96
Other current liabilities	836.94	1658.73

The carrying amounts of borrowings, trade payables, other financial liabilities and other current liabilities are considered to approximate their fair values due to their short term nature. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own and counterparty credit risk.

Note 38 : Financial risk management objectives and policies:

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

(ii) Foreign currency risk:

The Company is exposed to foreign currency risk arising mainly on borrowing, export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

(B) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The Company does not foresee any credit risks on deposits with regulatory authorities.

(C) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Note 39 : Capital management:

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value and to ensure the Company's ability to continue as a going concern.

The Company monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt mainly comprises of borrowings from banks, financial institutions and Unsecured Loans. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31st March, 2023	31st March, 2022
(i) Total equity	13148.50	11827.37
(ii) Total debt	3241.39	2412.70
(iii) Overall financing (i+ii)	16389.89	14240.07
(iv) Gearing ratio (ii/iii)	0.20	0.17

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023, 31 March 2022.

Note 40 : Corporate social responsibility:

(A) Gross amount spend by the Company towards Corporate Social Responsibility is ₹ Nil Lakhs (Previous Year ₹ Nil Lakhs).

(B) No expenditure has been paid to a related party, in relation to CSR expenditure as per Ind-AS 24, Related Party Disclosures.

Note 41: Previous year figures have been regrouped/ reclassified to confirm presentation as per Ind AS as required by Schedule III of the Act.
