INDEPENDENT AUDITORS' REPORT

To,

The Members of M/s. Birla Accucast Limited

(Formerly known as Birla Accucast Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of M/s. Birla Accucast Limited (Formerly known as Birla Accucast Private Limited) ("the Company") which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies

Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report but does not include the financial statements and our auditor's report thereon.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon
- In connection with our audit of the financial statements, our responsibility is to read the
 other information and, in doing so, consider whether the other information is materially
 inconsistent with the financial statements, or our knowledge obtained during the course of
 our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring

the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the

company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraphs 3 and 4 of the Order.
- 2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and statement of cash flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31st March 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The provisions of the reporting on adequacy of the internal financial controls over financial reporting of the Company are not applicable to the Company as per MCA Notification No.464(E) dated June 13, 2017 being a public limited company having a turnover not more than Rs.50 Crore as on the balance sheet date or does having aggregate borrowings exceeding Rs.25 Crore from any bank or financial institution at any point of time during the financial period.
 - g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2016:
 - i) The Company does not have any pending litigations which would impact its financial position.

Page 5 of 7

- ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii) There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.
- (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
- v) In our opinion and to the best of our information and according to the explanations given to us, the Company being a public limited company, section 197 of the Act related to the managerial remuneration is not applicable.

vi) Since the Company has not declared/paid any dividend during the year, Section 123 of the act is not applicable.

Notes to financial statements for the period ended March 31, 2024

1. General Information:

Birla Accucast Limited (the Company) is a Public Limited Company incorporated in India having its registered office at 23, Birla Mansion No.2, 1st Floor, D. D. Sathe Marg, Prarthana Samaj, Mumbai, Maharashtra, 400004, India. The Company is engaged in the business of assembly and manufacture of Machine Tool Accessories, Tools, Precision / Automotive Components and Castings.

Significant accounting policies followed by the Company

(A) Basis of preparation of financial statements:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act. 2013 and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy used in preparation of financial statements.

(B) Use of estimates and judgements

The preparation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made by the management that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are crystallized. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates.

Estimation of uncertainties relating to the global health pandemic from COVID-19:

The Company has considered the possible effects that may result from COVID-19 in the preparation of these financial statements. The impact of COVID-19 on the company's financial statements may differ from that estimated as at the date of approval of these financial statements.

(C) Revenue recognition:

- (i) Revenue from the sale of goods is recognized upon the passage of title to the customers, which generally coincides with delivery.
 -) Export sales are accounted based on the dates of Bill of Lading.
- i) Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of significant uncertainties.

(D) Property, Plant and Equipment:

(a) All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include hedges of foreign currency purchases of property, plant and equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associates with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

(b) Depreciation methods, estimated useful lives and residual value:

- (i) Depreciation: The Company has ascertained the useful life of its various assets and charged depreciation in accordance with Schedule II of the Companies Act, 2013.
- (ii) Leasehold Land is amortized over the period of lease.
- (iii) The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
- (iv) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- (v) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and

(E) Intangible Assets:

Computer Software and Technical Know-How are amortized over a period of 3 years from the date of acquisition.

) Capital Work in Progress:

Expenditure during construction period including development cost incurred on the projects under implementation are treated as pre-operative expenses pending allocation to the assets and are included under "Capital Work in Progress". These expenses are apportioned to fixed assets on commencement of commercial production.

(G) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(H) Valuation of Inventory:

- (a) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.
- (b) Goods / Materials in Transit are valued at cost to date.
- (c) Scrap is valued at its estimated realizable value.
- (d) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

(I) Foreign Currency Transactions:

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

(J) Employee Benefits:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The Liabilities are presented under current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations:

The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

(iii) Post-employment obligations:

(a) Defined contribution plans: Company's contribution to the provident fund scheme is recognized during the year in which the related service

(b) Defined benefit plans: The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by

(c) The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan

assets. This cost is included in employee benefit expense in the statement of profit and loss.

(d) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in

(e) Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in

"ofit or loss as past service cost.

Long Term compensated absences are provided on the basis of an actuarial valuation.

(K) Research and Development Costs:

Revenue expenditure, including overheads on research and development, is charged as an expense through the natural heads of account in the year in which incurred. Expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as an Intangible assets and depreciation is provided on such assets as applicable.

(L) Investments:

Current investments are carried at lower of cost or fair value. Long term investments are carried at cost less provision for other than temporary decline in the value of such investments. Investment in subsidiaries are valued at cost.

(M) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

(N) Taxation:

Income tax expense comprises Current tax and Deferred tax charge or credit. Provision for Current tax is made on the assessable income at the tax rate applicable to the relevant assessment year. Minimum alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax.

Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. The deferred tax asset and/or deferred tax liability is calculated by applying bstantively enacted rate as at balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation is recognized if and only if there is virtual certainty backed by convincing evidence of its realization. At each balance sheet date, carrying amount of deferred tax assets is reviewed to reassure realization.

(O) Share Issue Expenses:

Issue expenses are adjusted against the Share Premium.

(P) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserves.

(Q) Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.
